# St. Nicholas Montessori After School Programme

A rich and engaging experience supported by qualified Montessori teachers

## PROGRAMME OF ACTIVITIES

The range of activities offered by St. Nicholas is extensive with age appropriate choices to support students social, emotional and physical growth. Students will have fun, enhance their learning and cultivate their unique spark of genius.

### Science Club

With Sarah Fitzpatrick who is a Montessori teacher with a BSc in Biochemistry from University College Dublin.

### Drama

With Adrienne Lee, M.A, H.DIP, A.I.B.S.D (Play Act Drama School) has been teaching drama at St. Nicholas for the past four years.

### Yoga

Our resident Yoga expert is Shirley O'Connor who is a Montessori teacher who is trained as a children's Yoga Instructor.

### Kung-Fu

Andy Doyle is trained in teaching Kung Fu to children building self awareness, strength, flexibility, self control and skill in self defense.

### Arts and Crafts

Moira O'Malley is an architect and a Montessori teacher with a passion for creativity.

### High 5 / Stretch & Grow

These two physical activities aim to encourage children to build self esteem and develop their own unique abilities.

### Homework Club

Supervised by our team of fully qualified Montessori teachers

Table Tennis  
Badminton  
Lego

Large P.E Hall  
Chess Club  
Relaxation areas

The St. Nicholas Montessori After School Programme is an important extension of the school day designed to provide a safe and stimulating environment while improving learning outcomes.

### The Montessori Method

Montessori based education is a discovery based model of learning which promotes self-directed activities and hand-on learning. It values whole child development and the uniqueness of each individual.

### Guess who went to Montessori?

Larry Page and Sergey Brin (Google), Jezz Bezon (Amazon), George Clooney, Gabriel Garcia Marquez and Beyonce all benefited from a Montessori education!

If your child cultivates a desire to learn through discovery who knows where they might end up.

### THE TEAM

All St. Nicholas staff are fully qualified with a minimum B.A. (Hons) Montessori teaching qualification. Many also have Masters degrees.

Our teachers are specialists in the 3 to 6, 6 to 9 or 9 to 12 age groups, guaranteeing age appropriate support for homework club.
